

# Central America Regional Trucking Services

Central American roads offer challenges that are not new to Crowley. Whether you need something transported within a country, or from one country to another, you'll find that Crowley's trucking services feature dependable drivers, large trailers, expedited documentation and border crossings, and close monitoring of shipments.

## Features

- Dedicated 45' x 102" trailer fleet owned by Crowley
- Equipment tracking through TMW software package allowing for pinpointing of cargo throughout transit.
- Ability to organize multiple truck convoys for long hauls adding to security of cargo
- Expedited border crossings
- Easy access to truck drivers during transit with company provided communications devices
- Trip insurance available

## Benefits

- Fast, reliable service
- Better control of work-in-process
- Reduced chance of theft
- Reduced cycle time
